

We are pleased to invite you to the webinars: **Transforming our approach to water and wetlands**

What: Two webinar discussions on the values of water and wetlands, how to mainstream these values into policy-making in order to promote wise use and management, based on the insights of the *TEEB for Water and Wetlands Report*.

When: 12 December 2013,

Time: 11.00 - 12.15 and 16.00 -17.15 PM CET

Agenda

- The state of wetlands
- Values, ranges, gaps, examples
- Policy instruments to progress towards wise use
- How the ecosystem approach can contribute to the wise use of wetlands
- Approaches to assess the multiple benefits of protected areas

Speakers:

- Patrick ten Brink**, Head, Brussels Office, Institute for European Environmental Policy
- Nick Davidson**, Deputy Secretary General, Ramsar Convention on Wetlands (*Morning slot*)
- Daniela Russi**, Senior Policy Analyst, Institute for European Environmental Policy
- Ritesh Kumar**, Programme Manager, Wetlands International, South Asia (*Afternoon slot*)
- Marianne Kettunen**, Senior Policy Analyst, Institute for European Environmental Policy
